DUTIES

ESSENTIAL FUNCTIONS

The incumbent shall promote and be accountable for customer satisfaction and quality service and will initiate or recommend changes that promote innovative solutions to meet customer needs.

To ensure uniformity and consistency and compliance with Title 24 California Code of Regulations, Administrative Code and Building Code, follows the DSA Project Submittal Guidelines to:

- Evaluate all construction packages (plans, specifications, required forms, fees, etc) submitted by DSA clients for completeness prior to acceptance for formal plan review.
- Evaluate complex and varied structural, access, and fire and life safety issues for minimum specifications prior to being accepted and/or assigned

To ensure plans meet or exceed Title 24 energy compliance, manages the Energy Review Program for Plan Check and Proposition 47 Energy Allowance Grants Projects. Upon receipt of construction packages submitted by DSA clients for plan review:

- Assigns energy review projects to DSA energy consultants using the Information Management System (IMS).
- Monitors the project schedules sent to DSA energy consultants using the IMS.
- Approves fee proposals sent by DSA energy consultants and bills energy review fee to School districts by reviewing proposed consultant work plan and determining appropriate fee for workload based on experience and knowledge of work requirements and befitting cost.
- E-files energy documents into IMS system.
